COOPERATION BETWEEN GERMANY (DAKKS, DGMK) AND THE NETHERLANDS (SSVV) WITH REGARD TO SCC/VCA

This declaration confirms that the German SCC Sicherheits Certifikat Contractoren (Version 2011) is with respect to content and procedures equivalent to the VCA VGM Checklist Aannemers (Version 2008/5.1).

Taking into account the above both checklists and associated certificates (ISO/IEC 17021 and ISO/IEC 17024) can be accepted as equivalent in the Netherlands as well as in Germany.

For the avoidance of doubt, each company is free to decide which requirements and/or certificates it demands from its contractors, if any.
